THE INTERNATIONAL COMMITTEE OF THE RED CROSS MAKE A DONATION

YOUR SUPPORT IS FAR MORE THAN A DONATION...

In many parts of the world today, the proliferation and protracted nature of armed conflicts has reached alarming proportions. Now more than ever, the International Committee of the Red Cross (ICRC) is striving to meet the needs of conflict victims, in accordance with its mandate based on the principles of humanity, independence and neutrality.

To accomplish this task, the ICRC needs people everywhere to rally around its humanitarian cause and the values underlying that cause. Widespread support from the general public, private enterprises and foundations is essential if the ICRC is to meet the challenges ahead. Only with this kind of support can the ICRC help to restore and safeguard human dignity.

We are deeply grateful for your support, which is far more than a donation – it is a true act of human solidarity.

Jakob Kellenberger
ICRC President

... IT IS A TRUE ACT OF HUMAN SOLIDARITY

The ICRC's merit lies not only in the good it does, but also in the harm it is able to prevent.
