

I WAS REALLY SICK.

I COULD HAVE DIED.

I SURVIVED BECAUSE THE SOLDIERS
LET THE AMBULANCE THROUGH THE
CHECKPOINT FIRST.

Health Care in Danger: the way forward

The ICRC and Australian Red Cross invite you to a panel discussion on ways to improve security and delivery of health care in armed conflict and other emergencies, as we launch the HCiD project's latest report.

Wed 24 Sept 2014

5:45pm - 7:00pm

Finkel Lecture Theatre,
John Curtin School of Medical Research,
Australian National University

Dr Sarah Miller Clinical and Forensic Psychologist & delegate with the International Red Cross Red Crescent Movement

Dr Bruce Eshaya-Chauvin Medical Advisor, Health Care in Danger Project, ICRC Geneva

Paul McPhun Executive Director, Médecins Sans Frontières - Australia
