

ICRC

Gaza crisis

Why we need your help

July - September 2014

 2,275
people
killed

 11,748
wounded

 27.5%
of the victims
are children

 Between 55,000
and 60,000 are
still displaced in schools

 6 hours of power
per day

 16,000
homes uninhabitable

Staff currently working in Gaza

Our priorities

Saving lives by supporting the Gazan health system and delivering medical supplies

Restoring access to water and electricity (top priority to hospitals and key utilities)

Visiting and ensuring the well-being of those detained as a result of the conflict

Providing essential household items to thousands of families displaced by the conflict

Helping to reduce the threat posed by unexploded weapons

Your donation will help us save more lives. www.icrc.org/gazaappeal
