Geneva, November 1st, 2022

REQUEST FOR TENDER FOR TARPAULIN 4x6m and 4x60m - FRAME AGREEMENT
--

RFT/ICRC/IOM/GVA22/00158

Closing date for samples delivery at the ICRC and the Laboratory: November 25, 2022 at 18:00 (Geneva time)

Closing date for submission of commercial offer and lab test results: March 15, 2023 at 14:00 (Geneva time)
--

Validity of the offer until: March 15, 2024
--

[Additional Clarifications](#)

[Sample deliveries:](#)

Based on our Request for Tender (RFT), the suppliers are requested to quote for both "with logo" and "without logo". **However, for samples, please send the requested number of 4x6m tarpaulin without LOGO by strictly following "Annex 1 - ICRC - GLO- INS- AQL- Tarpaulin".**

[Tendering conditions:](#)

As clearly indicated on our Request for Tender (RFT) – “**3.1 Preferred Suppliers**”, the present request for tender is addressed exclusively to manufacturers, who are in complete control and have the full responsibility of the manufacturing process. **Traders will not be considered.**

AQL and Specifications:

Upon the requirement from IOM, we would like to draw your kind attention that “Annex 1bis - IOM AQLs_Tarpaulin Sheet (4x6m) & Tarpaulin Roll (4x60m)” **has been replaced** by **“Annex 1bis - IOM AQLs_Tarpaulin Sheet (4x6m) & Tarpaulin Roll (4x60m) - ver 8.0 rev1”** as attached.

Should you have any other questions, please contact us through:
gva_logpurchcontracts_services@icrc.org.

Yours sincerely,

Mrs. Hui LIU
