ICRC ACTIVITIES FOR 2018 IN NORTH CENTRAL AND NORTH WEST NIGERIA

ICRC

About the ICRC Jos Sub-Delegation

The International Committee of the Red Cross (ICRC) Sub Delegation in Jos, Plateau state, was established in 2012 in response to the humanitarian needs that arose due to the constant spate of communal violence in the region. Today, the Jos Sub-Delegation working with the ICRC office in Kano, covers a total of five states including Bauchi, Benue, Kaduna, Nasarawa and Taraba.

PROVIDING EMERGENCY RELIEF AND RESTORING LIVELIHOODS

Responding to humanitarian needs through emergency and mid-term assistance to restore dignity and support livelihoods.

 **212,450** Persons

212,450 persons in Bauchi, Benue, Kaduna, Plateau, Nasarawa and Taraba states were able to meet basic household needs through the provision of essential household items and multiple cash instalments for the purchase of food and other household items.

 **208,000** Persons

208,000 displaced persons in camps and host communities in Benue, Nasarawa, Plateau and Taraba states received food items in multiple instalments to address their immediate food needs.

 **6,235** Persons

Over 6,235 persons in Kaduna and Plateau states who depend on farming and livestock rearing received cash and seeds to boost crop production. Community animal health care workers received training in livestock care and support as well as veterinary starter kits containing essential tools and drugs for their animals.

 **41,000** Persons

41,000 persons (IDPs and host communities) displaced in Benue, Kaduna, Nasarawa, Plateau and Taraba states had improved access to safe drinking water through our rehabilitation of hand pumps, drilling of new bore holes and water schemes.

 **5,800** Persons

5,800 displaced persons in Benue and Plateau States were provided with latrines, bathrooms and daily monitoring of the camps with the help of the Nigerian Red Cross Society (NRCS) to improve overall health through good sanitary practices and conditions.

REUNITING SEPRATED FAMILIES AND ENCOURAGING HUMANE TREATMENT OF DETAINEES

Reuniting family members who have been separated as a result of the conflict and ensuring humane conditions of detention for detainees.

 **175** Detainees assessed

Over 175 persons in detention centres in Bauchi, Kaduna and Plateau States were visited by the ICRC and their conditions of containment assessed.

 **255** Tracing Requests

225 tracing requests were documented across the states handled by the Jos sub delegation, for family members looking for their missing relations.

 **5,445** Women

5,445 women accessed antenatal care services.

 **1,240** Community Members

Together with the NRCS, over 1,240 community members of civil societies, religious and ethnic groups and security agencies in Bauchi, Benue, Kano, Kaduna, Nasarawa, Plateau and Taraba states received first aid training as well first aid kits to enable them respond effectively in times of emergencies.

 **80** Medical personnel trained

80 medical personnel from Kano, Plateau and Taraba states improved their skills and knowledge of standardised emergency procedures.

 **245** Persons

245 persons affected by the armed conflict in the North – East received prosthetics fittings under the ICRC Prosthetics Rehabilitation Programme (PRP) in Kano State.

 **25,000** Consultations made

In general, over 25,000 consultations were made in three ICRC supported primary health care centres.

 **1,220** Babies Delivered

1,220 babies were delivered in ICRC supported primary health care centres or at home with ICRC trained and equipped traditional birth attendants in areas where access to healthcare was affected by violence and the resultant influx of displaced persons.

 **700** Children

Over 700 children under five years of age suffering from Severely Acute Malnutrition (SAM) were treated in ICRC-supported facilities.

 **155** Referrals

155 referrals were made from ICRC supported primary health care centres to tertiary health care centres.

PROVIDING SHELTER AND IMPROVING ACCESS TO CLEAN WATER

Improving access to clean drinking water through the provision of safe and viable water systems, promoting hygiene practices and improving shelter conditions of returnees through the provisions of building materials.

 **4,100** Persons

4,100 returnees in Kaduna State received shelter & roofing kits to help them rebuild their homes and restart their lives.

About the ICRC
 The International Committee of the Red Cross (ICRC) is an impartial, neutral and independent organization whose exclusively humanitarian mission is to protect the lives and dignity of victims of armed conflict and other situations of violence and to provide them with assistance. The ICRC also endeavours to prevent suffering by promoting and strengthening humanitarian law and universal humanitarian principles.
